

# Read & Create!

## Literature based Art Program

Children's books are brought to life through our literature based art program Read & Create. Children will listen to a story and afterwards they will create an awesome art project influenced by the book! Read & Create is a great approach to art for children ages 2-5 from 10-10:45am. Call (910) 829-9171 to register.
