

## The U Team Application 2026-2027

**Fascinate-U Mission:** Fascinate-U Children's Museum connects young minds to their future through interactive experiences rooted in role-playing, creativity, and fun. Through hands-on exhibits and programs, we introduce children, from birth to twelve years old, to the world of science, technology, engineering, art, and math (STEAM), helping them explore who they are and how the world works.

**Fascinate-U Vision:** We envision Fascinate-U as the region's leading hub for wonder, inquiry, and STEAM-based learning; a place where all children can explore boldly, imagine freely, and grow into their potential through joyful, hands-on discovery.

**The U Team Mission:** The U Team brings bold ideas, big questions, and creative voices to help shape the future of Fascinate-U. We dream, design, and spread the word; becoming proud advocates who make the museum more awesome for everyone!
